Sir,

We, the inhabitants of Chintamani, beg leave to trouble you in a small matter.

C.S. 91-26-1

Secretary to Development Department, with compliments

We are given to understand that Mr Abdul Basith, Inspector of Co-operative Society, Chintamani, is about to be transferred from his present jurisdiction.

We wish to draw a veil over the hidden causes operating in this direction as, we are convinced, they are not meant to reach ears polite.

7.1.27

P.S.D.

When he assumed charge of his onerous duties, he was confronted with peculiar dangers and difficulties. He grappled his problems with tenacity. He slowly worked up, his work gravitating unerringly into success.

7.1.27

9/1

We have pleasure in announcing that our Society is the best in the District and as proof thereof we beg leave to advance that the SHIELD offered has been won by us. This is due entirely to the unceasing exertions of Mr Abdul Basith.

The other societies under his charge that for very long remained inert have been galvinized into activity by his personality which is at once captivating. He works for the sake of work a quality very rare and absent in several men, and an invaluable asset to us.

The District is infected with a new danger. Foreign exploiters have come in lending money to our poor, simple, and unwary raiyats at interest varying from 60 to 90 per cent per annum. He has started a campaign against them vigorously. The progress he has so far made in this unique direction spells success.

We may further add that his activities in civic and social matters are already too well known to be specifically mentioned.

His transfer under contemplation will be a bitter loss to us. We therefore beg of you to retain Mr Abdul Basith here longer than the exigencies of public service admit of for which we shall be ever grateful.

We beg to remain,

Sir,

Your most obedient servants,

C.S. 91-26-7

C. Ranganatha Rao Sahib, Esq., B.A. B.L.,
Secretary to Government, Development Departments,
Bangalore.

Sir,

With reference to letter No.D.5413/C.S.91-26-5 dated 13th January 1927 received from the Government, forwarding a petition from the residents of Chintamani in the matter of the transfer of Mr. Abdul Basith, Inspector of Co-operative Societies, Chintamani Circle, and calling for a report, I have the honor to state as follows:-

2. Mr. Basith, entered the Department in April 1918 and, after a period of three months' training, was posted as the Inspector of Co-operative Societies, Channapatna Circle, in which Circle he worked till June 1923 and from June 1923 he has been at Chintamani and his work all along has been fairly good.

3. At the Conference of the Assistant Registrars with me held at Mysore during October last, it was resolved that Inspectors of Co-operative Societies who have been in the same Circle for over three years should be transferred in the interests of work. It was pointed out that when Inspectors remain at one and the same place for a long time and get well acquainted with the people, their attachment to the local people comes in conflict with their work and that, the Inspectors being expected to do not only propaganda work but also the supervision of societies and the detection of irregularities in accounts etc., and setting them right by the removal of the bad elements from the Managing Committees of the several societies, their transfers at least once in three years are very necessary for the efficient

supervision of the rural societies. In accordance with that principle, and in consultation with the respective Assistant Registrars, I ordered the transfers of some eighteen Inspectors of which that of Mr. Basith was one.

4. I had received two telegrams, two petitions and two deputations from the residents of Chintamani, Siddlaghatta and Srinivasapur requesting that the transfer of Mr. Basith may be cancelled. Similarly, I had received petitions from the people of the Channapatna Taluk and Doddaballapur Taluk requesting that the transfers of Messrs. B.Srinivasa Rao and B.S.Rangavittal respectively may be cancelled. But in the interest of the societies themselves, I refused to cancel the orders. As, however, I was asked to keep in abeyance the transfer order of Mr. Basith by Government in D.O.No. D.5363/C.S.91-26-4 dated 13th January 1927, I have done so and I shall direct Mr. C.Venkatachallam Chetty, Inspector, who had to go to Chintamani according to my original orders, to proceed to Kunigal.

5. With regard to the work of the Chintamani society I beg to state that it has been doing excellent work for several years past and, as a recognition of its useful work and as an incentive for better work, it was awarded the Shield at the Thirteenth Provincial Co-operative Conference held in October 1926 as the best society in the Kolar District, and I may add that neither the work of the Chintamani Circle nor of the Chintamani society is likely to be affected by the transfer of Mr. Basith from Chintamani, but, in view of the orders of Government referred to above, I have cancelled his transfer for the present.

6. It may not be out of place to bring to the notice of Government here that, when I contemplated the transfer of an Inspector from Doddaballapur last year, there was a deputation from some people that he should be retained there longer and I acceded to their wishes. The result was that there were petitions this year praying for his immediate

immediate transfer as he had been there for over three years and Government directed me to effect his transfer immediately, which I did. Under these circumstances, I think that, in the matter of the transfers of Inspectors, the opinion of the public for the time being is not the sole criterion, but the efficient supervision of societies also.

7. The petition is herewith returned.

I have the honor to be,
Sir,
Your most obedient servant,

K H Ramaya
Registrar.
